

# MW32MEU Folding Measuring Wheel 320mm

Reset trigger in handle and counter.

Braking trigger in handle.

Collapsible handle for storage, folded  
size: 650 mm.

Aggressively treaded wheel for improved  
traction.

5-digit counter measures 9999.9 metres  
without resetting.

Built-in kickstand supports wheel.

Large 318 mm wheel diameter provides  
more accurate measurements  
particularly on uneven terrain.

Total length: 1059 mm.
